AX-S update - Bringing riser-less intervention in up to 10,000ft of water Issue 13

Ship Ahoy!

Welcome to the latest edition of AX-S all areas, a regular update showing the progress of the AX-S system. AX-S takes the next big step by signing a charter party contract with TS Marine Asia, to supply vessel and ROV services.

Highlights:

- Vessel charter party contract signed
- AX-S team moved in to new offices
- Complete system inspection after SIT shows robust design
- Multiple client prospects being reviewed globally
