

AX-S™ all areas

Monthly AX-S update - Bringing riser-less intervention in up to 10,000ft of water Issue 12

The AX-S system at SIT at Weatherford Technology & Training Centre

High in the sky!

Welcome to the twelfth edition of AX-S all areas, a monthly update showing the progress and testing of the AX-S system.

Highlights:

- Bridge of Don SIT completed
- Handling system starts assembly
- More than 200 client visits
- Great press coverage
